## Work Experience

### WordPress Developer

2023 – Present

#### eSpark Consultants

Joined eSpark Consultants as a Jr. WordPress developer. Thrilled to leverage expertise in WordPress to drive impactful results in web development. Excited to contribute to eSpark's mission of revolution and IT solutions.

### WordPress Developer

June 2023 - Oct -2023

#### Prime Valley USA

As a WordPress Developer and Project Lead at Prime Valley USA, I blend creativity and expertise to turn digital ideas into reality. I specialize in using Divi Builder to create beautiful, functional websites.

### Front End Intern

June 2023 - Oct -2023

#### Noor College Of Professional

During my internship, I collaborated with a freelancer, mastering Bootstrap to create responsive websites and converting PSD and XD designs into HTML. I also learned Figma, bridging the gap between design and development. This experience enhanced my skills, fostered a collaborative spirit, and boosted my confidence.
